

# Business and Innovation

---

***Is starting a business something you want to do?***

***Do you want to know how to enhance business models?***

In this course students begin to develop the knowledge, skills, and understandings of how to engage in business contexts in the modern world. Students consider the opportunities and challenges associated with start-up and existing businesses.

Students also consider how digital and emerging technologies may present opportunities to enhance business models and analyse the responsibilities and impact of proposed business models on global and local communities.
