

SharkTank

Do you want to explore real world problems?

Do you have an idea you want to share with a panel of experts?

This SharkTank course has been designed by MIE lab in partnership with The University of Adelaide to teach students to think creatively and develop solutions to real world problems, while prototyping their ideas and pitching and presenting these to a panel of experts. By equipping students with the skills, knowledge, understanding and personal capabilities to participate and successfully compete in a fast-paced global society, the students of today can build their own futures for tomorrow.
