

Economics and Business (\$20 Boss)

Do you like problem solving?

Do you want to unpack your general capabilities?

The Economics and Business (\$20 Boss) program provides a way of supporting students to learn, identify and talk about the skills and general capabilities they are building and to unpack an entrepreneurial mindset. \$20 Boss supports students to solve a real problem and helps them better understand their relationship with money. The program will put the development of enterprise skills like critical and creative thinking, teamwork and entrepreneurship at the forefront of learning.
